

Comparison between criminal motorcycle clubs and mafia on:

- a) internal aspect (*longevity, size, internal structure and cultural apparatus*)
- b) external aspect (*multi-functionality, political dominance and legitimacy*)

Give a Dutch and other, national or international, example of administrative approach

> NL: *Bibob, RIEC/LIEC, undermining*, Other: *RICO (US), AML (international)*

- a) effectiveness of approach
- b) type of organization or activity it tries to target
- c) risks involved
